# CSI-Student Wireless
## for Smart Phones

CSI-Student allows you to stay logged into CSI's wireless system on
up to 3 devices for *24 hours*.
To login to CSI-Student, follow the steps below:

1. Go into your Wifi settings and select "CSI-Student".
2. Enter your SLAS username and password.
3. Click "Join".
4. When you have successfully joined the network, you will see the Wifi icon next to your mobile service.

**NOTE:  On Android devices clearpass.csi.cuny.edu must be added to the Domain field.**

# CSI-Student Wireless
## for Laptops & Other Devices

1. Open the Wifi settings on your device.
2. Select "CSI-Student" from the list of available networks.
3. Click "Connect".
4. Enter your SLAS Username and password.
5. When you have successfully joined the network, your Wifi settings will show that you are connected.

If you are unable to login to CSI-Student and need your SLAS password reset, please
