FACULTY VACANCY ANNOUNCEMENT

The School of Health Science's Department of Nursing, at the College of Staten Island (CSI), currently seeks candidates for tenure track positions in Nursing at the rank of Assistant or Associate Professor. The positions are anticipated to begin in September 2016. The Department offers AAS, RN to BS, MS (CNS, NP, and Certificates), and DNP (2016) degree programs. Responsibilities for this position include teaching undergraduate and graduate courses, student advisement (with a focus on student success and mentoring), performing department and college service, and engagement in an active and productive research agenda. For further information on the Department of Nursing at CSI we encourage you to visit our website: http://www.csi.cuny.edu/nursing.

The College of Staten Island (CSI) is a City University of New York (CUNY) senior College organized around two academic divisions and three schools, with over 14,000 students. CSI offers a broad range of academic programs in the liberal arts and sciences, and in several professional areas. The College awards associate's, bachelor's, master's and clinical doctoral degrees, and in collaboration with The CUNY Graduate Center, numerous PhD degrees. CSI's internationally recognized faculty passionately engage in scholarly and artistic activities, and together with a strong professional staff, lead students through transformational learning experiences both inside and outside of the classroom. The College is situated on a 204-acre site, has recently incorporated a residential component, and is currently engaging in capital expansion. It is a hub of intellectual and artistic activity and a community partner and source of economic impact and job creation for the greater Staten Island area.

The College's faculty, administration, and staff are committed to educational excellence as they instill in students an enduring love of learning and respect for pluralism and diversity. The College community recognizes its responsibility to strive for the common good, including an informed appreciation for the interdependence of all people, as well as providing students with the opportunities for successful future careers.
