FACULTY VACANCY ANNOUNCEMENT

The Department of Computer Science, College of Staten Island, CUNY seeks an outstanding teacher to fill a new lecturer position in Computer Science. This is a full-time nine-month position, teaching all course levels in Computer Science. The successful candidate will be required to participate in student recruitment and mentoring and department and college activities such as curriculum development, assessment, and service. This position is eligible for a Certificate of Continuing Employment after 5 years.

The College of Staten Island (CSI) is a City University of New York (CUNY) senior College organized around two academic divisions and three schools, with over 14,000 students. CSI offers a broad range of academic programs in the liberal arts and sciences, and in several professional areas. The College awards associate's, bachelor's, master's and clinical doctoral degrees, and in collaboration with The CUNY Graduate Center, numerous PhD degrees. CSI's internationally recognized faculty passionately engage in scholarly and artistic activities, and together with a strong professional staff, lead students through transformational learning experiences both inside and outside of the classroom. The College is situated on a 204-acre site, has recently incorporated a residential component, and is currently engaging in capital expansion. It is a hub of intellectual and artistic activity and a community partner and source of economic impact and job creation for the greater Staten Island area.
