

Veteran Program Assistant

The College of Staten Island has a part time, 15-hour per week position available for a Veteran Program Assistant to facilitate the transition of student veterans from military life to the college experience. The Program Assistant will provide readjustment counseling, support, and advisement services; develop and maintain a system of communication with student veterans through campus and community outreach; and assist with interpretation of VA benefits and college policies and procedures. A Masters Degree in Social Work, Counseling, Education, Student Personnel Administration or related field and two years experience working with a student veteran population is required. The successful candidate must demonstrate a working knowledge of VA programs and benefits. Some evening and weekend hours may be required.

Minimum Qualifications: A Masters Degree in Social Work, Counseling, Education, Student Personnel Administration or related field and two years of experience working with a student veteran population is required. The successful candidate must demonstrate a working knowledge of VA programs and benefits.
