

# HACU

“HACU National Internship Program (HNIP) program recruits college students for *paid* summer and semester-long internships at federal agencies and private corporations in Washington, D.C., and throughout the country. These ten and fifteen-week internship programs give college students direct experience in a myriad of careers in the federal and corporate sectors. Interns must work 40 hours per week for the duration of the internship.” (HACU, 2009).
