## PREP-STEPS

CPE Prep-Steps will be offered again in January. If you would like to get a head start in preparing for the CPE, click the link entitled “Guide to the CPE” on the Academic Support web page. The *Guide to the CPE* is an online tutorial with valuable information and helpful practice exercises for the exam. If you have any questions about the CPE, or if you would like to arrange to take a practice test, call the Office of Academic Support at 718-982-4212.

### “What Students Need to Know BEFORE Attending the CPE Prep-Steps”

Upon signing up for Prep-Steps students will be given a handout with a brief overview of the test, a description of the Study Group and Workshop, and a list of frequently asked questions.

All students should read the documentation carefully **before** attending Prep-Steps.
