Verrazano Spring Schedule with Honors General Chemistry II for Chemistry Majors

The 4- or 5-digit section numbers for Verrazano Honors classes change each semester. View the updated list of Verrazano sections here: http://www.csi.cuny.edu/verrazanoschool/courses/

You must take the following Verrazano courses:

(1) Honors ENG 151: College Writing (3 credits); M/W 10:10-12:05
   We will sign you up for this.

(2) Honors COR 100: U.S. Issues, Ideas, and Institutions (3 credits); T/Th 8:00-9:55

(3) Honors CHM 142: General Chemistry II (3 credits); M/W 4:40-6:20
   Honors CHM 127: General Chemistry II Laboratory (1 credit); T 10:10-1:10

(4) Honors MTH 130: Precalculus – 3 credits; MTH 231/229: Calculus I – 4 credits total; or
   MTH 232: Calculus II – 3 credits – all are on a M, W 12:20-2:15 schedule with MTH 229
   Chemistry majors must take up through Calculus III (MTH 233)

Other Recommended Courses:

Any course from the Required or Flexible Core in Pathways General Education.

As a general note, you should plan to take Verrazano honors sections whenever possible.
