

# CastleBranch Urine Drug Screen (UDS) & Background Check

## For Fall & Spring Enrollment

***All admitted students to the AAS Nursing Program are required to provide a clear CastleBranch Background Check and a negative CastleBranch Urine Drug Screen (UDS).***

***Please note that the CastleBranch Urine Drug Screen (UDS) that students completed as part of the Application/Admissions Step (Step 1) cannot be used for Fall 2023 enrollment. Students who are admitted to the AAS Nursing Program must provide a second negative CastleBranch Urine Drug Screen (UDS) completed between the day they are informed about their admission status and July 13, 2023.***

Students are required to use the same account they created when they applied to the AAS Nursing Program (<https://portal.castlebranch.com/uz86>) and choose from the options:

### **1. UZ86bg (Background Check)**

and

### **2. UZ86dt (Urine Drug Screen/UDS)**

The criminal Background Check and the Urine Drug Screen (UDS) **must be done** through CastleBranch only. A copy of the UDS report must be attached with the NPE form and received by the Health Center.
