

In order to complete the application process, please complete the following steps:

1. Fill out a Psi Chi Processing Form (this form)
2. Print a copy of your transcript showing all psychology classes and overall GPA to ensure that you meet the departmental GPA requirement of 3.4 in psychology along with 3.0 overall
4. Apply to Psi Chi on the webpage: <http://www.psichi.org/?page=JoinToday>
Select: Join >Become a Member>Apply Now
5. Send this Psi Chi Processing Form and your transcript with highlighted psychology courses (or an image of your psych GPA and associated courses in degree audit) to Dr. Gillespie-Lynch by 5 PM on the first Friday of **December**, for Fall enrollment, or the first Friday of **May**, for Spring enrollment. This is a rolling deadline, so if you miss it, you can also apply later.
6. After Dr. Gillespie-Lynch verifies that you meet the criteria and approves your application, Psi Chi will then reach out to you to ask you to pay them their fee (\$55 plus a processing fee).
7. Email Dr. Gillespie-Lynch to check on your application or ask questions about Psi Chi: Kristen.gillespie@csi.cuny.edu.
8. The official Psi Chi induction will be on a Tuesday at 2:30 in May (date TBA). We will send all members the date closer to the event.

The Psi Chi website sells honor cords and medals to wear at graduation. If you would like to order one, please order one directly through their website. I hope to see you at Psychology Club meetings and events at the induction ceremony for the new incoming Psi Chi members in the spring.

Dr. Kristen Gillespie-Lynch
Professor
Department of Psychology
College of Staten Island, CUNY

Psychology Psi Chi Honor Society

Psi Chi Processing Form

Please submit this form and an unofficial transcript showing your GPA in psychology courses to Kristen Gillespie-Lynch after filling out the online Psi Chi application
