** Fast Track Math is for students whose CUNY Proficiency Index (P-value) score in Math is between 50-59. Fast Track Math is for eligible students focused on STEM, BUS, ACC, ECO, FNC, MKT, PSY, SLS, SWK, NRS, and POL.

Students who pass this program will be eligible to take Algebra and Trigonometry without support (MTH 121, 122, 123; for majors mentioned above).

***Math Bridge is for students whose CUNY Proficiency Index (P-value) score in Math is between 60-79. Students who do not meet a high level of proficiency (P value below 75 for PSY; below 80 for other mentioned mentioned) are placed in math class with additional non-credit support hours. This program will allow students to take regular math classes without support.

****CHM Bridge is for students who are math proficient, but who have not completed one year of chemistry in high school. This program will satisfy a chemistry entry-level class (CHM 100/101) that students are interested in majors that require one-year of chemistry sequence need.
