FACULTY VACANCY ANNOUNCEMENT

The Lucille and Jay Chazanoff School of Business of the College of Staten Island of the City University of New York invites applicants for a position as an Assistant Professor in Finance, beginning in the Fall semester of 2027. We seek candidates with outstanding teaching and research skills and commitments to serving the institution and its community. Primary responsibilities include graduate and undergraduate teaching and mentoring in Finance subjects. Further responsibilities include committee and department assignments such as administration, supervision, and other functions. Specializations of particular interest include Corporate Finance and Financial Markets. Candidates with expertise in data analysis and other aspects of finance will also be considered.

The College of Staten Island (CSI) is a City University of New York (CUNY) senior College organized around two academic divisions and three schools, with a total population approaching 12,000 students. The Chazanoff School of Business is accredited by AACSB and has approximately 1,900 majors, offering an AAS in Business; a BS in Accounting; a BS in Business with concentrations in Management, Marketing, Finance, and International Business; a BA and a BS in Economics; and a BS in Information Systems & Informatics in association with the Department of Computer Science. The School also offers an MS in Business Management with tracks in Strategic Management and Business Data Analytics, an MS in Accounting, an MS in Healthcare Management, and a Graduate Certificate in the Business Analytics of Large-Scale Data. Further information about the campus can be found at www.csi.cuny.edu/aboutcsi

QUALIFICATIONS

PhD degree in area(s) of experience or equivalent. Also required are the ability to teach successfully, demonstrated scholarship or achievement, and ability to cooperate with others for the good of the institution. ABD applicants will be considered; however, their degree must be conferred prior to the first day of classes of fall 2027 in order to hold the position.

OTHER QUALIFICATIONS

Preferred qualifications include: an earned PhD or equivalent in Finance or Economics or other appropriate area; knowledge of financial markets, investment analysis, and corporate finance; and industry and/or teaching experience.

COMPENSATION
