

Accessing Cleared4 using an Android Phone

Step 1:

Check your email for two emails from no-reply@cleared4work.com. If you cannot find the emails, check your spam folder. If you still do not have the emails, contact the Technology HelpDesk @ <mailto:helpdesk@csi.cuny.edu>. Please include your name, contact information, and emplid in the email.

Step 2:

Click on the link in the first email to set up your Cleared4 account. Read and accept the disclaimer.

Step 3:

Complete your Personal Information.

Step 4:

Tap on “Show Access Pass” to view the pass.

Tip1:

To make it easier to access the link in the future, bookmark the link in your browser of choice.

Each day you plan to be on campus, open the link and tap on the “Show Access Pass” to view a date-stamped cleared4 pass. Show the pass displayed on your phone to Public Safety.

Note: The bookmark will appear as – [Health Verification –Cleared4](#). You can rename the bookmark if it makes it easier to find.

Tip 2:

Save the link on your Android 's home screen.

1. Locate the email on your Android phone.
2. Open the link in your browser (usually Google Chrome).
3. Tap on the ellipses in the upper right corner of the screen.
4. Tap “Add to Home Screen”
5. Tap Add. Next, tap “Add Automatically” to have the Symptom Checker icon appear on your phone’s home screen.
6. Tap the icon each day to show a date stamped cleared4 pass.
