   a. Change in degree requirements: Information Systems and Informatics (BS) (UG) was unanimously approved.

8. Writing Intensive Proposal: H. Thorne, D. Allen, and C. Lavender presented the Writing Intensive Proposal approved by the General Education Committee on December 7th. The proposal was created to address the recognized need for greater support for undergraduate students' writing development. Students will be required to complete at least two Writing Intensive courses before graduation. The proposal was discussed at length and some representatives expressed concerns with the proposed requirement. H. Thorne offered to visit with individual departments to address additional questions and concerns.
