HONORS PROGRAMS

The College of Staten Island offers a number of honors programs, learning communities and undergraduate research opportunities.

MACAULAY HONORS PROGRAM: Designed for high achieving students with an innovative curriculum.

VERRAZANO SCHOOL: Offers students a unique undergraduate education through academically motivated learning communities.

TEACHER EDUCATION HONORS ACADEMY: Designed for select students passionate about mathematics and sciences interested in a career in teaching.

OPPORTUNITY PROGRAMS

ASAP: The Accelerated Study in Associate Program: Supports motivated students to earn a BA/BS degree through comprehensive academic advisement, financial support and career development.

The Percy Ellis Sutton Search for Education, Elevation and Knowledge Program provides comprehensive academic success through an array of counseling and other support services.

The Collegiate Science & Technology Entry Program is designed to increase the number of underrepresented and economically disadvantaged students who pursue careers in the fields of science, technology and education.

OUR CAMPUS

CSI students experience the best of all worlds. Our picturesque 204-acre campus, the largest single campus in New York City, features the Great Lawn, athletic fields, sculpture and seating areas, all surrounded by mature woodlands.

FRESHMAN ADMISSION PROFILES (FALL 2022)

BACCALAUREATE PROGRAM GPA: 88.3
THE VERRAZANO SCHOOL GPA: 92.3
MACAULAY HONORS COLLEGE GPA: 96.1
TEACHER EDUCATION HONORS ACADEMY GPA: 93.9
This is a guide to decide which programs are an appropriate academic fit. Keep in mind, however, that these profiles are an average, not a minimum standard for admission.

TRANSFER STUDENTS

As a general rule, the College requires a grade point average equivalent to a C (2.00) for transfer as a matriculated student. Admission to a baccalaureate degree program may vary by department. CSI accepts up to 90 transferred credits.
