

MASTER OF SCIENCE IN HEALTHCARE MANAGEMENT (MS)

Department Chair: Dr. Gordon DiPaolo
Email: gordon.dipaolo@csi.cuny.edu

The **Master of Science in Healthcare Management (MS)** program provides specialized content for those working in healthcare and those who wish to enter the healthcare industry. It is designed for new graduates and mid-career professionals to acquire in-depth training in the area of management that focuses on the needs of healthcare providers. Students from a range of disciplines such as dentistry, medicine, nursing, nutrition, occupational and physical therapies, pharmacy, and social work, as well as students who are non-clinical professionals working in healthcare or who have an interest in working in the healthcare industry are welcome. The MS in Healthcare Management is designed to help newly promoted and rising healthcare professionals to make an effective transition from clinical and technical roles into broader managerial roles and enable people with an educational or professional background in business to apply business knowledge to the healthcare industry.
