APPLICANTS EDUCATED IN THE UNITED STATES

- **Transcripts**: Applicants must request official transcripts from all post-secondary institutions attended in the United States. If you are currently enrolled in a post-secondary institution, have one transcript sent now and another sent when you complete the courses that you are taking. Applicants who have been enrolled at CSI do not need to request a CSI transcript; the Office of Recruitment and Admissions will obtain a copy.

APPLICANTS WHO HAVE RECEIVED PART OR ALL OF THEIR EDUCATION OUTSIDE THE UNITED STATES ARE REQUIRED TO PROVIDE THE FOLLOWING ADDITIONAL ITEMS:

- **Postsecondary/University Academic records**: If you have attended a college or university outside the United States, you are required to request that official transcripts from all postsecondary schools attended. The transcripts must be mailed directly from the issuing institution to CSI. Students from Bangladesh, India and Pakistan must request official university-issued mark sheets from the Controller of Examinations. The official transcript must come in the language in which it is normally issued in a university stationery envelope with proper signatures. Please note that any non-university stamp (notary, translation, etc.) on the transcript makes the document unofficial and it cannot be accepted as official.
PLEASE NOTE: We define an official record as one that details your complete academic history (all years) while in attendance at a college, university or any postsecondary institution. These records must be sent directly to us from the issuing institution and/or examining body in a sealed, school-issued envelope and must include the following:

- Dates of enrollment, courses taken and marks, grades or ratings in each subject.
- Institutional grading scale or other standard(s) of evaluation.
- Recent signature and date by a school official and must include an original institutional seal. Accepted signatures include: the Registrar, Dean, Principal, Controller of Examinations, Ministry of Education, or another appropriate school official/office (varies by country).

We do not accept the following:

- Documents certified by a notary public, translator or commissioner of oaths.
- Photocopies or other duplications of a record such as notarized copies, faxed or scanned documents.

- Translation: Documents written in languages other than English must be accompanied by an official word-for-word translation of the entire document on business letterhead.

All translations must meet the following conditions:

- Complete and literal (word-for-word)
- Prepared in the same format as the original document
- Typed on a business or school letterhead stationery
- Signed by a translator attesting to familiarity with the foreign language

Official translations may be obtained from the following:

- Consulate or embassy of the country that is issuing the document
- Translation agency
- Immigrant or refugee association in the U.S. representing the country issuing document
- The institution where the student studied
- Faculty member of a U.S. high school, college or university (must signify his/her academic department and rank)

Translations from the following are not acceptable:

- The student or members of his/her family
- Individuals not affiliated with any of the organizations listed above
