

## Department/Program Assessment Plan

Submit one for each program (e.g. BA, MA)

Each program has clearly articulated program goals/outcomes statements linked to curriculum and course experiences. This assessment plan will help programs determine the extent to which these outcomes are being met through courses and other program learning activities.

**Program Information:**

<b>Program:</b>	
<b>Academic year plan submitted:</b>	
<b>Degree(s):</b>	
<b>Department Chair:</b>	
<b>Assessment Coordinator/Contact:</b>	

**I. Program Mission Statement:**

**II. Program Goals/Outcomes:** What the program wants students to know and be able to do upon completion of the program. Goals should relate to the mission of the department.

<b>#1</b>	
<b>#2</b>	
<b>#3</b>	
<b>#4</b>	

\*Add lines as necessary

**III. Assessment Cycle:** Indicates when and how student learning will be assessed based on clear statements of learning outcomes. Refer to your curriculum map to draft a student learning outcomes assessment timeline. Specify a 3-year cycle for assessment in which you will assess all of your program's goals/outcomes.

Program Goal/Outcome to be assessed	Year	Method(s) of assessment
