Campers can unleash their creativity this summer when they are empowered to be as creative as they were all born to be!

Every program is powered by the campers’ imagination, and designed to bring their ideas to life in a fun, hands-on, learning program based around science, technology, engineering, art and math. STEAM activities will prepare students for success in the upcoming school year and beyond.

From concept to creation, students will demonstrate their masterpiece to the world at the end of each week!

Camp Dates: July 10- August 17

Features:
- Camp hours 9:00 am to 4:00 pm
- Choose from Full Day or Half Day Camps (Morning: 9:00 am- Noon/ Afternoon: 1:00 pm to 4:00 pm)
