It is my pleasure to officially welcome you to Dolphin Cove!

The Dolphin Cove Residence Life staff is excitedly preparing for your arrival for the fall 2015 semester! Included in this packet is information regarding move-in day and what you can do to prepare for a successful start to the semester. Throughout the summer you will receive communications from Dolphin Cove staff. It is important to check your email frequently in order to stay as up to date as possible!

What Should I Bring?
Everyone has needs and items they need in their living environment to make them feel more comfortable. You will want to make sure to bring those items with you to your new home at Dolphin Cove. We suggest communicating with your roommates in advance. Give your new roommates a call, text, Facebook, or even meet in advance. That way you have the opportunity to get to know one another and discuss who will be bringing specific items to the apartment.

New Student Move-In Day is Sunday,
August 23

Returning Student Move-In Day is Monday,
August 24
