Job Title: Finance Accountant, Level 1 (Provisional)

Job ID: 18908

Location: College of Staten Island

Full/Part Time: Full-Time

Regular/Temporary: Regular

GENERAL DUTIES

- Performs professional work in the field of accounting or auditing in a higher education setting, coordinates accounting activities, and may supervise employees engaged in accounting activities. Work may be performed utilizing computer and related technologies.

- There are five Assignment Levels for this position (1, 1-A, 2, 3, 4). All personnel perform related work. This specification describes typical assignments for this position; related duties may be assigned as needed.

ASSIGNMENT LEVEL 1:

- Under close supervision, performs entry-level professional work in the field of accounting, including assisting in the following:
  - Maintaining general and special books of accounts.
  - Posting accounting entries.
  - Preparing trial balances, bank reconciliations, and similar.
  - Establishing and maintaining codes for funds and reserves.
  - Allocating costs and charges.
  - Classifying revenues and expenditures.

ASSIGNMENT LEVEL 1-A:

- This assignment level is only for College Accountants who have five years of full-time service as a College Accountant and have not progressed to Levels 2, 3, or 4.

ASSIGNMENT LEVEL 2:

- Under supervision, performs professional work of average difficulty and responsibility in the field of accounting or auditing, including performing the following tasks:
  - Maintaining general and special books of accounts.
  - Posting entries, including adjustments, closings, and extension.
  - Preparing trial balances, bank reconciliations, operating statements, and financial schedules.
  - Establishing and maintaining codes for funds and reserves.
  - Gathering data for use in preparing and analyzing various budgets and schedules.
  - Maintaining records of costs and charges made against budgeted allocations.
  - Classifying revenues and expenditures.
- Conducting financial and management audits, preparing preliminary draft reports.

ASSIGNMENT LEVEL 3:

- Under general supervision, coordinates and may supervise the daily activities of a major unit dealing with a specialized phase or phases of accounting, usually in conjunction with student financial aid, funds and grants, payroll, bursar functions, accounting to support financial analysis, budgeting, auditing of financial accounts and records, contract performance and compliance, and similar. May perform difficult independent work in these professional areas. Tasks may include:

  - Participating in project planning sessions.
  - Assisting in developing unit-wide plans, programs, and procedures for implementing and maintaining appropriate accounting controls.
  - Conducting and analyzing accounting studies and surveys in order to identify and satisfy changing trends, conditions, and regulations.
  - Analyzing and interpreting statements of financial condition, preparing appropriate summaries and reports.
  - Planning and organizing individual audits, preparing and reviewing audit procedures, monitoring audit progress, and reviewing reports.
  - Assisting in the design and implementation of computer systems and technology to meet new and changing needs.

ASSIGNMENT LEVEL 4:

- Under general supervision, coordinates and supervises the daily activities of a major unit dealing with a specialized phase or phases of accounting, usually in conjunction with student financial aid, funds and grants, payroll, bursar functions, accounting to support financial analysis, budgeting, auditing of financial accounts and records, contract performance and compliance, and similar. Also performs complex independent work in these professional areas. Tasks may include:

  - Participating in project planning sessions.
  - Assisting in developing unit-wide plans, programs, and procedures for implementing and maintaining appropriate accounting controls.
  - Conducting and analyzing accounting studies and surveys in order to identify and satisfy changing trends, conditions, and regulations.
  - Analyzing and interpreting statements of financial condition, indicating deviations, reviewing trends, and preparing data extrapolations for forecasting purposes.
  - Implementing performance standards, assuring compliance.
  - Assisting in developing and designing computer systems and technologies to meet new and changing needs.
  - Overseeing unit participation in University-wide compliance and systems audits, instructing staff in audit techniques, developing audit capabilities, and maintaining communications with all involved parties.

CAMPUS SPECIFIC INFORMATION

The College of Staten Island (CSI) is a City University of New York (CUNY) senior College organized around two academic divisions and three schools, with over 14,000 students. CSI offers a broad range of academic programs in the liberal arts and sciences, and in several professional areas. The College awards associate's, bachelor's, master's and clinical doctoral degrees, and in collaboration with The CUNY Graduate Center, numerous Ph.D. degrees. CSI's internationally recognized faculty passionately engage in scholarly and artistic activities, and together with a strong professional staff, lead students through transformational learning experiences both inside and outside of the classroom. The College is situated on a 204-acre site, has recently incorporated a residential component, and is currently engaging in capital expansion. It is a hub of intellectual and artistic activity and a community partner and source of economic impact and job creation for the greater Staten Island area.

Reports to the Associate Director of the Accounting Office and works in coordination with the Finance Controller.

- Reviews all Request for Check forms for proper support; Follows up on support needed; Verifies to funds available; Classifies expense coding; Processes check requests by inputting into the QuickBooks accounting program; Prepares system files for the Fiscal Systems and Reporting Office to prepare checks from various bank accounts.
- Posts general journal entries in the QuickBooks accounting program.
- Maintains multiple QuickBooks general ledgers for the Grants, Gifts and Miscellaneous Funds accounts, including scholarship and commencement award accounts, Imprest Account, Continuing Education and Center for Global Engagement and follows up on pending items.
- Assists in the preparation of monthly and quarterly reports for the aforementioned accounts.
- Assists in processing refunds of appropriation expenditures through the Office of the University Controller and New York State.
- Reconciles scholarship and commencement award accounts to University reports; Assists in remitting net scholarship and commencement award receipts to the University pool; Assists in preparing annual scholarship and commencement award status reports for the appropriate College offices to utilize in the determination of monies to be awarded; Assists in preparing donor status reports for endowed funds.
- Assists in cross-walking the QuickBooks general ledger for reporting to the CUNYfirst ERP People Soft system.
- Performs other duties as assigned.
