The College of Staten Island (CSI) is a City University of New York (CUNY) senior College organized around two academic divisions and three schools, with over 14,000 students. CSI offers a broad range of academic programs in the liberal arts and sciences, and in several professional areas. The College awards associate’s, bachelor’s, master’s and clinical doctoral degrees, and in collaboration with The CUNY Graduate Center, numerous Ph.D. degrees. CSI’s internationally recognized faculty passionately engage in scholarly and artistic activities, and together with a strong professional staff, lead students through transformational learning experiences both inside and outside of the classroom. The College is situated on a 204-acre site, has recently incorporated a residential component, and is currently engaging in capital expansion. It is a hub of intellectual and artistic activity and a community partner and source of economic impact and job creation for the greater Staten Island area.

The College’s faculty, administration, and staff are committed to educational excellence as they instill in students an enduring love of learning and respect for pluralism and diversity. The College community recognizes its responsibility to strive for the common good, including an informed appreciation for the interdependence of all people, as well as providing students with the opportunities for successful future careers.
