Ideal candidates will have demonstrated consistent excellence in teaching at the undergraduate level. While primary qualifications for reappointment and CCE are teaching excellence and successful participation in service obligations, candidates with past evidence of scholarly research and/or active scholarly agendas are welcome to apply; lecturer’s research is eligible for various forms of support such as Fellowship Leave (sabbatical) and the competitive PSC CUNY Research Awards.

The College seeks faculty members and colleagues who thrive in multicultural academic environments and are committed to access, equity, inclusion, and excellence in higher education. The hiring committee is especially interested in applicants who contribute to the diversity mission of the college through their leadership, community service, and/or lived experiences.
