FACULTY VACANCY ANNOUNCEMENT

The Department of Engineering & Environmental Science (EES) at the College of Staten Island of the City University of New York (CUNY) invites applications for a Lecturer position in the Engineering Science program. Any area of Mechanical Engineering or Engineering Science will be considered. The general duties of this position are to teach 12 contact hours in our Engineering Science programs each academic semester. To develop new courses/laboratories in the above as per department Chair direction and serve the department in various departmental and/or college committees. In addition, this candidate is expected to share responsibilities in advising students in the program as well share in providing guidance and supervision to our CLTs in the above disciplines. The position begins in late January 2023.

The Department of Engineering & Environmental Science has a full-time faculty of 17 with over 15 part-time faculty members. On the Engineering side it offers the Bachelor of Science degree (BS) in Engineering Science (ENS) (with Mechanical (MechE) and Computer Engineering specializations) and the BS in Electrical Engineering (EE) and both degrees are ABET-accredited. An Associate degree in Science (AS) in Engineering Science (with EE and MechE specializations) as well as a Masters in Engineering (ME) in Electrical Engineering are also offered. The PhD program in Electrical Engineering is administered through the City College of NY (CCNY) with which our department is in close collaboration. Currently the department has over 600 students enrolled in all of its programs that also include BS in Earth & Environmental Science, BS in Earth & Environmental Science K-12 and a Masters of Science in Environmental Science.

The College of Staten Island (CSI) is a senior College organized around two academic divisions and three schools, with over 10,000 students. CSI offers a broad range of academic programs in the liberal arts, sciences and professional areas. CSI awards associate, bachelor and master degrees. In collaboration with the CUNY Graduate Center numerous PhD degrees are offered. CSI's internationally recognized faculty passionately engages in scholarly and artistic activities, and together with a strong professional staff, lead students through transformational learning experiences both inside and outside of the classroom.

The College is situated on a 204 acre site, has a residential component and is currently engaging in capital expansion. It is a hub of intellectual and artistic activity, a community partner and source of economic impact and job creation for the greater Staten Island area.

The College's faculty, administration, and staff are committed to educational excellence as they instill in students a love of learning and respect for pluralism and diversity. The College community recognizes its responsibility to strive for the common good, including an informed appreciation for the interdependence of all people, as well as providing students with the opportunities for successful future careers.

QUALIFICATIONS

Bachelor's degree in area of expertise, and the ability to teach successfully.

Preferred qualifications include:

A Master's degree in any of the above areas of Engineering or Engineering Science is preferred. The Department seeks an individual with good leadership skills that is willing to work to continue strengthening our Engineering programs. Previous teaching experience in the above areas especially with instructional laboratories in an academic
setting. Experience teaching a diverse student body, and familiarity with evidence-based teaching practices aimed at engaging students from all backgrounds.

COMPENSATION

$69,983 - $83,764

Salary commensurate with experience and credentials.

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

HOW TO APPLY

To apply, please visit http://cuny.jobs/ and enter the Job ID# in the “What” section field. If you are viewing this posting from outside our system, access the employment page on our web site and search for this vacancy using the Job ID or Title.

Candidates should provide a CV/resume. If you have any difficulty uploading multiple documents to the website, please send them to: facultyrecruitsci@csi.cuny.edu.

Candidates will be required to provide proof of being fully vaccinated against COVID-19 upon commencing employment. Exemption (medical or religious) requests to this requirement will be considered in accordance with applicable law. Being fully vaccinated is defined for this purpose as being at least two weeks past their final dose of an authorized COVID-19 vaccine regimen. Final candidates must be fully vaccinated as of their first day of employment.
