Job Title: P-Tech Early College Liaison – Academic Program Specialist
Job ID: 25466
Location: College of Staten Island
Full/Part Time: Full-Time
Regular/Temporary: Regular

POSITION DETAILS

The Early College Liaison serves as an intermediary between the college partner and the Early College & Career, 9-14 school, and s/he has the mission of strengthening student performance and expanding students’ horizons to include postsecondary educational opportunities and career goals. The liaison works with the college faculty and staff to develop non-credit bearing programs and events to support this goal. The liaison seeks to maintain and develop collaborations that serve to better prepare students for college and careers while fostering mutual learning among the faculty, staff, and students at the partnering institutions. Facilitates students’ progress and success by ensuring that appropriate collaborative support mechanisms are in place.

Reporting to the Department Chair, the Early College Liaison:

- Assists in implementing guidelines, standards and criteria related to the students’ eligibility for enrollment in different college courses, in concert with the high school staff and college’s faculty; coordinates all activities related to college course-taking by high school students; creates and implements biannual orientation programs for students and parents; conducts parent outreach as it pertains to the college and career model and goals; and coordinates students’ targeted intervention needs between the college partner and the high school staff academic and social support systems.
- Convenes regular school planning committee meetings with college and school staff and the Industry Liaison; assists in developing and implementing professional development for relevant school personnel, college faculty, and industry mentors in consultation with leadership at the school; coordinates with college faculty and staff to develop and implement programs that support early college goals; assists in developing and implementing a comprehensive induction/orientation process for college instructors teaching the high school students; increases awareness of early college partnership at the college; coordinates college tutoring programs at the school, including recruitment, hiring, training, and supervision of tutors; and participates in continuance communication with the college’s instructional staff with regard to student performance and early identification of students at academic risk.
- Assists with school-college partnership budgets and financial resources and statistical reporting and student success data.
- Performs other duties as assigned by Supervisor.

QUALIFICATIONS

Bachelor's Degree and four years' relevant experience required.

Preferred qualifications include:

- Master’s degree in education, public affairs, or related field and/or a state teacher certification
- 2-3 years experience working in an urban school education
- Experience working in Higher Education
- Strong communication skills, both written and verbal
• Demonstrated mastery of relevant technological capacities (e.g. Microsoft Office suite); and ability to master college tech systems
