Dear Colleagues:

We are preparing to begin a search for the next president of the College of Staten Island (CSI). The Search Committee is being assembled as per the CUNY Board of Trustees [Presidential Search Guidelines](#).

As a first step, we want to provide an opportunity for the entire CSI community to give its input. Therefore, we are asking you to complete this survey:

Feedback from the survey will be used to identify the college's current needs and priorities and the characteristics the community is seeking in its next leader. It will also serve to inform the development of the leadership profile for this search.

In addition to the survey, members of the CUNY Executive Search Office along with consultants from the search firm WittKieffer, who will be assisting us with this search, will be meeting with CSI's key stakeholders as part of this process. The college is at an exciting juncture. We look forward to recruiting a leader who will continue to take the College of Staten Island to even greater success.

We thank you in advance for your input. Additional information will be forthcoming.

Sincerely,
