President's Message

To the College of Staten Island family:

The senseless deaths of Officer Wenjian Liu and Officer Rafael Ramos strike a poignant chord during a season which is traditionally one of remembrance and celebration.

The College of Staten Island family joins the officers' families, the Staten Island Academy family, and families across Staten Island as we grieve their loss, and are reminded of the importance of togetherness during these difficult times.

The families of Officer Liu, a part-time student at CSI from 2001-2004, and Officer Ramos, whose son graduated from Staten Island Academy in 2013, will be remembered and honored by our thoughts and prayers this holiday season.

Sincerely,

A handwritten signature in black ink that reads "WJ Fritz" followed by a long horizontal line.

William J. Fritz, PhD
President
