## **President's Announcement for the Campus Climate Survey**

Dear Campus Community:

Last year, we embarked on a vital and relevant campus climate survey to help create a more inclusive campus. Rankin & Associates, a leader in campus assessments, directed this effort. More than 3,600 campus community members participated in the survey.

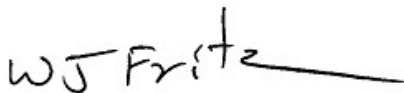

I am pleased to announce that we will have the results of the survey in November, when Rankin & Associates presents the findings during two public town hall meetings on November 9 and 10, 2016:

- November 9: 2:30pm–4:00pm in the Center for the Arts Recital Hall (1P-120)
- November 10: 2:30pm–4:00pm in the Center for the Arts Lecture Hall (1P-119)

After those meetings, the College will host a series of forums to solicit your thoughts about the actions that we can take to address the survey results. There will also be a confidential online form to submit your ideas. I encourage all CSI community members to attend these meetings and to participate in the feedback forums. For more information, please visit the Campus Climate Survey website.

I look forward to receiving the results from our campus climate survey and to creating a campus environment where all CSI community members thrive and reach their potentials.

If you have any questions please contact the Office of Diversity and Compliance – 718.982.2250 or ODC@csi.cuny.edu.

William J. Fritz, PhD  
President
