July 31, 2017

Dear College Community,

As you are enjoying your summer, I want to remind you to take the opportunity to review the draft Strategic Priorities for a 2017-2022 CSI Strategic Plan. Your feedback about the strategic priorities and goals, as well as, the process is important to shaping the direction and future of the College.

We have created a web page called “CSI Strategic Planning Process 2017-2022,” where you will find a link to a Blackboard site created to facilitate the feedback process. Blackboard login instructions are also provided below. If you need further assistance, please contact the helpdesk at (718-982-HELP; helpdesk@csi.cuny.edu). The Blackboard site will be open for comments through September.

This is just the beginning of an inclusive process designed to generate significant discussion and feedback from all stakeholders and to have the new Strategic Plan endorsed by the Institutional Planning Committee in October or November.

Thank you,

William J. Fritz
President
