

## Summer STEM Bridge Program @ CSI St. George

To explore majors in education, science, math, technology and health care

Tuesday, June 11<sup>th</sup> and Wednesday, June 12<sup>th</sup>, 2024

- ◆ Are you excited about the transition from high school to college?
- ◆ Do you want to meet and network with other peers entering the College of Staten Island?
- ◆ Are you interested in exploring fields such as Geo-mapping, education, biology, public interest tech and health care?
- ◆ Do you want to know about careers in math, history science, high school teaching, nursing, chemistry, tech entrepreneurship, and others?
- ◆ Do you want to know what courses for these majors look like for college freshman?

Join faculty and staff this summer at the [College of Staten CSI St. George](#) for a **pre-college STEM Summer Bridge Program**

This **FREE** program will consist of:

- ◆ Meeting and networking with peers also preparing to enter college;
- ◆ Attending workshops taught by college faculty focused on the joy of studying STEM;
- ◆ Spending time IN PERSON with peers in a laid back, non-pressure environment.

### **Eligibility:**

- ◆ Rising senior or June 2024 graduate from a high school on Staten Island;
- ◆ Planning to attend the College of Staten Island in Fall 2024 or Fall 2025;
- ◆ Interested in pursuing study in science, math, technology, education and/or health care professions;
- ◆ Available to attend all workshops from 9:00 am - 3:00 pm.

Food and beverage will be provided for breakfast and lunch.

**To apply** email the program manager below to RSVP
