

Configuring your CIX Email on an iPhone

1. Go to Settings
2. Click on Passwords & Accounts
3. Click on Add Account
4. Click on Exchange
5. Enter the Following information:
 - Email: your CIX email
 - Description: CSI email
6. When prompted, select: Configure Manually
 - Password: Your CIX email password
7. After entering the password, it will ask you for the following:
 - Domain: cix.csi.cuny.edu
 - Server: m.outlook.com
 - Username: your full cix email address (firstname.lastname@cix.csi.cuny.edu)
 - Password: your cix email password

If you experience any problems while attempting to configure your device, please contact the Technology HelpDesk at 718-982-HELP (4357) or visit us at 2A-306D.
