

Access your CIX email with Outlook's Mobile App!

Download the Microsoft Outlook App through your mobile app store.

Open the app and configure your CIX email:

firstname.lastname@cix.csi.cuny.edu & your CIX password

You can now access your CIX email by simply opening the Microsoft Outlook App.

This will allow you to do everything you can do in the web version, such as:

Send/receive emails, access your calendar, access files from your email & view your contacts.

You will stay ***logged in*** to your email unless you ***delete*** the account in the app settings.

For more information, please contact:
