

## Office of Technology Systems Public Access Stations

These computers have the same software as those in the teaching and open labs, which allow students the ability to work on class assignments in an arena other than a formal lab. They are located in the following locations:

- Campus Center
- Cybercafe
- Library (all 3 floors)
- Lobbies of buildings 1S, 2S, 3S, 4S, 5S, 1N, 2N, 3N, 4N, 5N
- Sports and Recreation Center
