

FLAS Password Reset

Your FLAS account will be used to log in to the computers on campus.

You can go to the FLAS reset service website to reset your FLAS password.

Flasreset.csi.cuny.edu

Use the login box on the right side of your computer screen.

Username: Firstname.Lastname

Password: The password used to log in to campus computers.

For enrollment purposes, make sure your security questions and alternate emails are up to date.

Go to the **Change Password** tab and follow the prompts.

If you forgot your password and are enrolled in the FLAS reset service, you can use the Forgot/Expired Password option on the left side of the FLAS reset website.

Forgot/Expired Password

Username: Firstname.Lastname (The username that you use to log on to the computers at CSI.)

Pick one of the two options to verify your identity.

Option 1: Allows you to use security questions. **Option 2:** Sends a verification code to your email.

- Follow the prompts
- Change your password, be sure the password meets the password requirements.
- Ensure that there are 2 check marks that say your FLAS and CSI email passwords were changed successfully.
