*Cheryl will enroll students in ENG 151.

**Students may take any section of SLS 301, 302, or 303 and convert them toward a Verrazano course by writing a reflective piece for the Verrazano Voyager, our blog. This is not part of your SLS grade, but must be approved by the Verrazano Honors Program to receive honors credit. You are permitted to take the SLS courses out of sequence, but you are required to meet the other prerequisites. See our website for details. Contact Cheryl for assistance with registering.
