Student Information

Last Name: _____ First Name: _____ Initial: _____

EMPLID: _____ Class Year: _____

CIX Email address: _____ Phone #: _____

Title of Thesis/Capstone Project: _____

Submit this form along with the following. We prefer all materials to be submitted electronically.

- Your final departmental honors thesis/capstone project, signed by your faculty mentor.
- A 1-2 page personal reflection to go on the Verrazano Voyager blog. This should include what you learned through the process of developing and completing your project and how you envision that the project could be developed further if you continued to pursue this research. Please include at least two photos of you doing research, of you and your image, or an image related to your research.

Student Signature

The work I am submitting is original. Any sources used have been properly referenced.
