Most challenging class this semester: _____

Tell us about your college goals and what you've already done so far (be specific!)

Goals	In the future	Already doing
Study abroad opportunities (where would you like to go?)		
Do research with a professor (on what topic? With whom?)		
Get involved in student government		
Seek out leadership opportunities (what kind? What program)?		
Find an internship (Where? Doing what?)		
Join a club or organization on campus (which ones?)		
Other		

How are you planning to complete the Verrazano community service requirement this year? (see Verrazano website for guidelines)

After graduation I hope to: _____
