

## Verrazano Spring Schedule with Honors General Chemistry II for Chemistry Majors

The 4- or 5-digit section numbers for Verrazano Honors classes change each semester (and occasionally the times change). View the updated list of Verrazano sections at <https://www.csi.cuny.edu/academics-and-research/specialized-programs/honors-programs/verrazano-school/program-requirements/courses>.

### You must take the following Verrazano courses:

- (1) **Honors ENG 151:** College Writing (3 credits); M/W 10:10-12:05  
We will sign you up for this.
  
- (2) **Honors CHM 142:** General Chemistry II (3 credits); W, F 2:30-4:25  
**Honors CHM 127:** General Chemistry II Laboratory (1 credit); T 10:10-1:10
  
- (3) **Honors MTH 130:** Precalculus – 3 credits; **MTH 231/229:** Calculus I – 4 credits total; or **MTH 232:** Calculus II – 3 credits – all are on a M, W 12:20-2:15 schedule with MTH 229 running M,W 2:30-3:20.  
Chemistry majors must take up through Calculus III (MTH 233)

### Other Recommended Courses:

Any course from the Required or Flexible Core in Pathways General Education.

As a general note, you should plan to take Verrazano honors sections whenever possible.
